If you stop reading this, you'll die tonight. I'm David. My family didn't think I was capable of murder. I sure showed them though. And I'll do the same to you if you don't upvote this by midnight.

who do i think about every day?

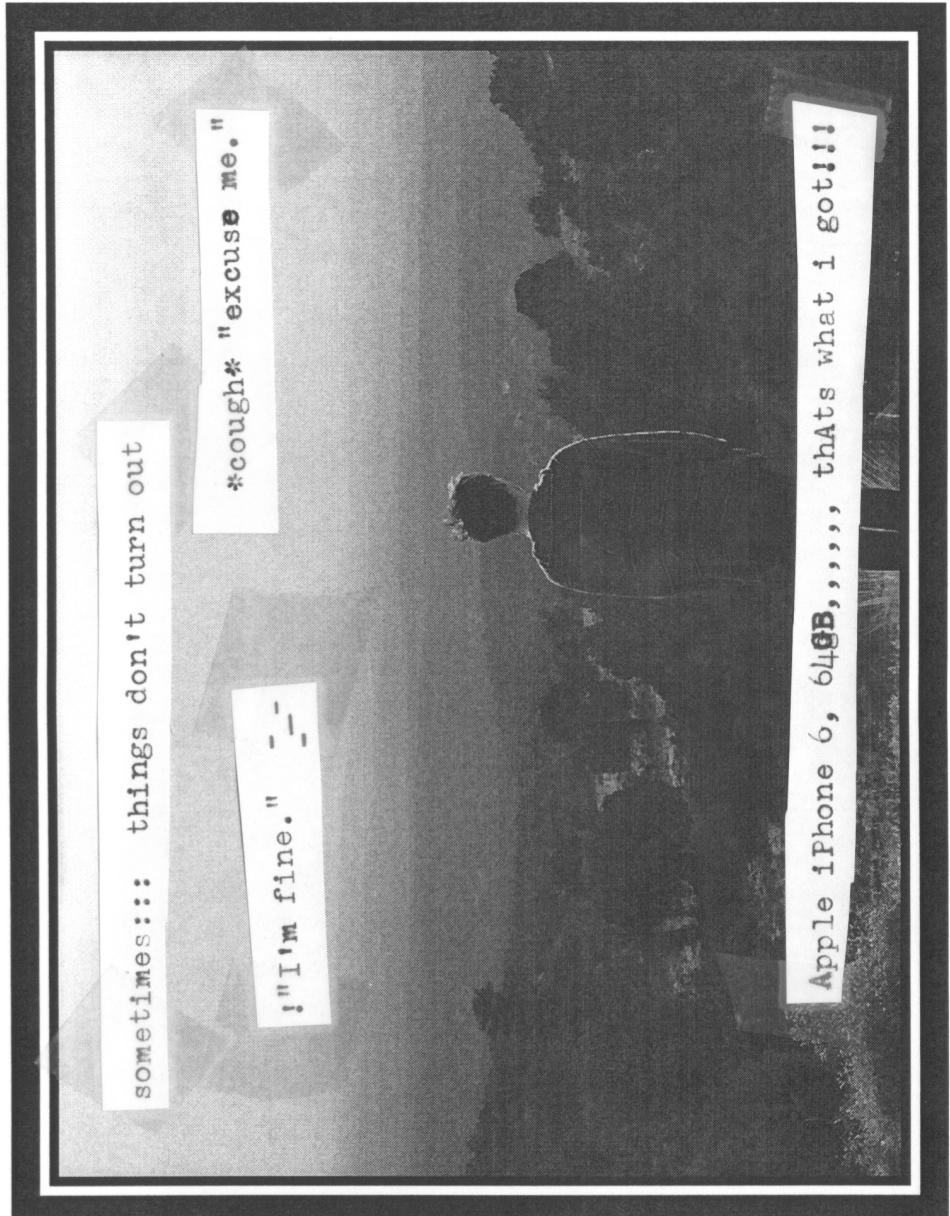

i used to think about her all the time
what happened?
something was cut, it seems
something snipped that can't be retied

for a while i thought about her
thought about when i'd ask
if she was home
if she'd like to walk with me
thought she thought about me too
i guess i was wrong
well, 90% wrong
but anyway, now i don't think about her much
what happened?
something was cut, it seems
something snipped that might be retied

now i'm alone thinking about her
but perhaps i'm just wishing
spinning a thread
waiting to be cut, it seems
i don't think i could retie that one
i'll keep pulling and slackening
but i don't know what i'll do if it gets cut
i sure as hell aren't gonna cut it!

I cut my hair in the bathroom
with Dad's purple scissors
I tried, to be a Dothraki warrior
but I guess, I was defeated

cough "excuse me."

"I'm fine."

sometimes ::::: things don't turn out

TRUE STORY

FIND YOUR OWN RELIGION. YOU DON'T
NEED ANYONE TO TELL YOU WHAT GOD
OR ANYONE WANTS YOU TO DO. BELIEVE
WHAT YOU THINK IS RIGHT, NOT WHAT
SOME 20-SOMETHING BIBLE STUDY GIRL
TELLS YOU YOUR LIFE NEEDS IN THE CAFÉ
OF A BARNES AND NOBLE.

A response to the idiom, "I wasn't afraid to be born, why should I be afraid to die?"

I was born covered in screaming, covered in blood, screaming squirming in blood writhing screaming in covered in blood...
